*Office of the Minister*

## **Greetings from the Honourable David Eggen Minister of Education**

On behalf of Premier Rachel Notley and the Government of Alberta, it is my pleasure to extend greetings to all attendees of the 2017 Health and Physical Education Council Conference.

This year's conference theme – *No Limits! Education for Everyone, Everywhere* – reflects our government's commitment to support our students' health and well-being while providing them with access to a high-quality education. Students who are healthy, safe and engaged tend to feel and perform better. Through our Healthy Schools and Daily Physical Activity initiatives, we encourage students to practice healthy eating, live an active lifestyle and contribute to inclusive learning environments.

Thank you for your ongoing dedication to the education and well-being of Alberta's youth. I wish you a productive and engaging conference.

David Eggen  
Minister of Education
