(Register for your free HPEC membership.... www.teachers.ab.ca)
 Non Member & \$15.00

Please comment if you have any dietary concerns that we should be aware of:

Session One (4:30-5:30) - presented by Heather Rootsart (Edmonton Catholic PE consultant)

Best Practice Physical Education Assessment K-12

We enjoy teaching PE and getting the kids active in a classroom setting, but are we doing more than just allowing them to be physically active? Are we delivering instruction that gives them the skills, motivation and confidence to be active adults? If a parent/administrator asks you how their son/daughter/student received an "A", "B", "65", etc... on their report card are you able to show them? How can we plan lessons, units and year plans in PE that follow our Alberta Program of Studies and not add even more work for teachers? Can we make things more standardized across teachers, schools and even districts? We are going to try and answer some of these questions and provide you with concrete examples that you can take home with you and start implementing as soon as possible!

Session Two (6:00-7:00)

Putting Best Practice into Action with our Favourite Activities

In this session, we will take some of our favourite lessons and combine them with our best practice assessment practices for you to take home with you and start implementing ASAP! This will be an active session, so PLEASE COME PREPARED TO MOVE ☺

Group A: Elementary Teachers - presented by Heather Rootsart (Edmonton Catholic PE consultant)

Group B: Junior High/High School Teachers - presented by Megan & Gregg Brain (HPEC Regional Rep's)

Registration:

Please email this completed registration form to Megan Brain, megan.brain@ecsd.net . If mailing or paying by check please make payable to **HPEC Edmonton** and/or send to:

Blessed Oscar Romero High School (17760 69ave; Edmonton, AB: T5T6X3); c/o Megan Brain.

******If possible payment in CASH upon arrival is recommended; receipts will be issued at this time. This will be much easier for us!!!!**

Deadline to return registration form: Friday, November 24th
