

HPEC - GEOEC 2017 - No Limits Conference May 11-13, 2017 Jasper, Alberta

SPONSORSHIP PACKAGE

The Health & Physical Education Council of Alberta along with the Global, Environmental and Outdoor Education Council are co-hosting their annual conference in May of 2017 at the beautiful Jasper Park Lodge. This conference provides an opportunity for participants to build skills and knowledge by networking and attending a multitude of professional development sessions which support the implementation of the Physical Education, Health, Environmental and Outdoor Education programs of study.

You are invited to join the Health and Physical Education Council and the Global, Environmental and Outdoor Education Council **by sponsoring the HPEC and GEOEC 2017 Conference** in Jasper, Alberta on **May 11 – 13, 2017**.

The conference is set to attract approximately 400 participants over the course of three days. The conference attracts specialists in physical education, health promoting schools, athletics, intramural recreation, dance and researchers in education from the elementary to post secondary school level. As well, generalist teachers, school administrators, public health nurses, related non-government organizations, and school board personnel from across Alberta will gather to share their knowledge and to network. We also plan to have the opportunity for major sponsors to have their products featured through our extremely popular Friday evening Social event.

Specialist Councils of the Alberta Teachers Association

HPEC and GEOEC are both specialist councils of the Alberta Teachers' Association. The purpose of the councils are:

- To improve curriculum and instruction;
- To develop, study and propose professional resources;
- To provide opportunities for teachers to improve professional practice;
- To liaise with other organizations that seek to promote healthy active lifestyles within school communities; and
- To further the continuous development and evaluation of standards and guidelines within school communities

Sponsorship Opportunities

The 2017 HPEC GEOEC Conference provides a number of events and opportunities for you to engage directly with your target audience to leave a memorable and long lasting impression. This year's event offers three (3) levels of sponsorship:

- > **GOLD Presenting Partner** – an exclusive opportunity which provides your organization with maximum exposure and brand awareness through a unique and diverse set of promotional and engagement mechanisms.
- > **SILVER Partners** – offering a superior range of promotional entitlements, Silver Partners will receive exceptional exposure throughout the conference in driving brand recognition and awareness amongst your key target market.
- > **BRONZE Partners** – with a core set of promotional benefits and access to supplemental activation opportunities, Bronze Partners will be able to generate expanded exposure and awareness amongst conference delegates and further showcase their support of healthy, active children and youth.

Whether you are looking for increased brand awareness, sales, sampling opportunities, or other, we will work with you to ensure your sponsorship meets and exceeds your marketing objectives. Please see the note at the bottom of the Bronze section about how we can customize your sponsorship options.

GOLD Presenting Partner (\$7000)

The **Gold Presenting Partner** sponsorship offers your organization, product, and/or service maximum exposure with an exclusive promotional package that offers unique ad placements and maximum recognition prior to, during, and following the Conference.

As the **Gold Presenting Partner**, you are entitled to:

- Exclusive recognition as the 2017 HPEC GEOEC Conference Presenting Partner;
- Exclusive sponsor of the Keynote Address on Saturday the 13th of May, 2017;
- A preferred location for your Exhibitor booth;
- Two (2) full conference registrations to attend the conference, including the social;
- Logo displayed on the Conference delegate shirts;
- Full page THANK YOU in both HPEC Journals: *The Runner and ESprinter*;
- Logo displayed on Conference homepage as well as the HPEC website with a link to your organization's website;
- Sponsor recognition on all Conference e-blasts;
- Top brand recognition on conference information boards at the event

Silver Partnership (\$5000)

Our **Silver Partner** sponsorship is reserved for three (3) committed partners and is an excellent opportunity to directly promote your organization, product, or service to your exact target audience.
